### TODDLER TENNIS / JUNIOR ROOKIE

*Tuesday 3:30-4:30 / Wednesday 3:00-4:00  
Thursday 3:30-4:30 / Saturday 11:00 to noon*

**The Toddler clinic** is a fun class for ages 3-5 and is an excellent way to introduce preschoolers to the game of tennis. The focus will be on hand eye coordination, footwork, and basic stroke techniques. This session will feature a "Parent & Me" concept for part of the class with a parent participating with their child along with our coaches.

**The Rookie clinic** is for ages 6-10 and is a great place to start learning tennis skills. The game-based program allows the players to quickly learn the fundamentals of the game in a fun, action-filled environment where they are playing and competing with their peers.

### JUNIOR DEVELOPMENT

*Tuesday 4:30-6:00 / Thursday 4:30-6:00 / Saturday 9:00-11:00*

**The Junior Development clinic** is typically for ages 10+ and is focused on starting to be able to hold rallies and play points. Players will be grouped according to level and will work to learn and improve on the basic tennis fundamentals. Focus will be on improvement of strokes. This clinic will prepare players planning to participate in middle or high school tennis.

### JUNIOR EXCELLENCE

*Monday 4:00-6:30 / Wednesday 4:00-6:30 / Friday 4:00-6:30 / Saturday 9:00 - 11:00*

**The Junior Excellence clinic** will have various ages. It is designed for junior players who may be participating in high school and/or tournament play. This program will work on stroke production, footwork and strategy for match play.

*The ages are a general rule. An assessment may be needed to find the best group.*

*If a class is missed, make-up is not guaranteed. However, makeup will be granted if space allows on other days in that session of programming.*
