

Swim Baby Swim!

April 15-June 10

Ages: 6 mos.-36 mos.

Register your baby for this parent and child class designed for babies and their parent(s), or other favorite adult who wants to learn water adjustment and other aquatic skills together in a fun environment. Learn how to enter and exit the water in a safe manner, feel comfortable in the water, explore submerging to the mouth, nose and eyes. Explore floating on the front and back. With parents as co-teachers in the pool, babies can learn to relate to the water with ease and confidence. Infants as young as six months old can begin to learn to rediscover the environment they left in the womb.

Two adults may participate with each child.

Swim Baby Swim classes are 30 minutes long and are offered on Wednesdays and Saturdays at 10:00am. Babies must wear a swim diaper under their bathing suit.
